

operation
report
operation
report

therefore,
please be
aware that
entering/
exiting the
school
building is
no longer
possible

I wonder
how the
welcoming
parties are
going to be
held

t...this
school
became
something
like
Alcatraz
island

so please
take the
hand-cuffs
I gave you
yesterday
and go
around
showing
them off

well now
I would
like you all
to pair up
in twos for
rounds

however
these are
limited in
number

they're
goods for
dealing
with
heinous
criminals

hi!
iii
iiie
!!

th... that's a
misunderstanding!
I'm the weakest
human in the
universe who's
always bullied
by the strong

eh
?

so I won't
be giving
them to
people who
are already
strong, such
as Mitsuiko
sensei

I... I feel like
I'm getting
sent off
as a suicide
squad

may the
fortunes
of war
be upon
you!

well then
everyone
please
don't lose
caution

the only
reassuring
thing here is that
refreshing sensei,
the physical
education
teacher, can
do boxing

eh!
non
non

ho
ho
ho
very
ho

I didn't
get the
stungun
either but
it's reas-
suring that
you're here
with me

then a
triangle
kick

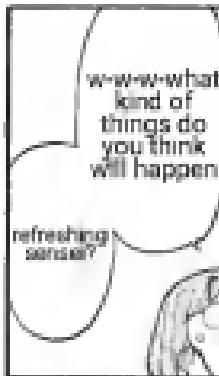

did a
rolling
sobbat

yeah
man
that
thing
to
grizzly
Higuma

and topped
it off with a
german
suxplex,
taming him
in the end,
that monster

if we
kill that
combat
10-dan
female
pig
teacher
we'll be
famous

I can
hear it
all and the
story has
been
exaggerated
again

we can't
leave it
be since
we're
sempais

up
next

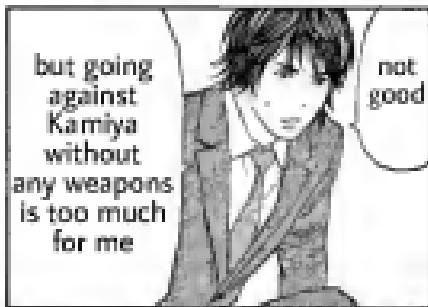

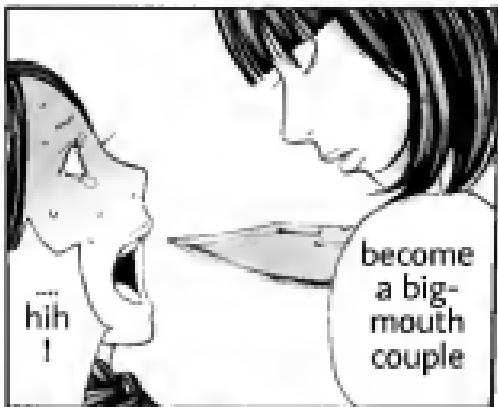

then I'll
cut your
faces

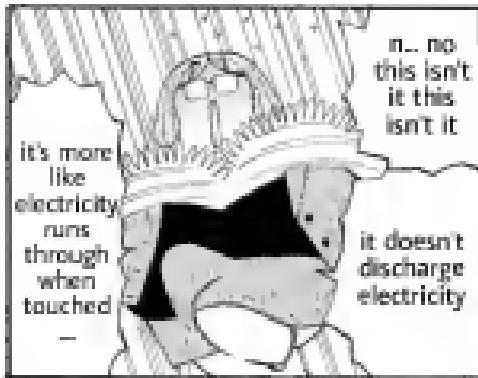

BRING
IT
OOON

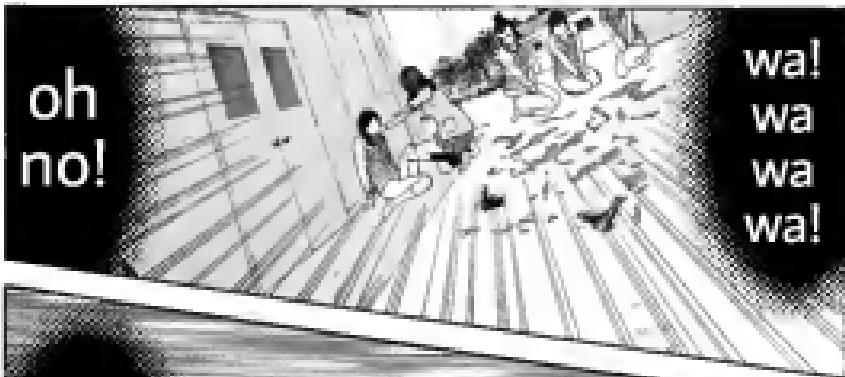

!!

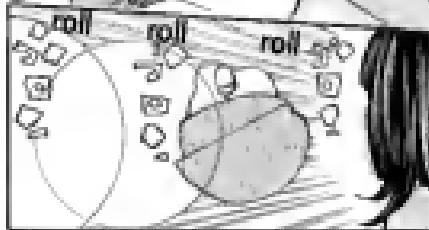

do you
have some
kind of
gruge against
me or
something??
ahh??

h...
huh!

wh...
what
just
happened?

....
you

getting
in my
way
again

do you
not
understand
Mitsuko
sensei's
feelings?

huh
?

wait!
Kamiya!

ah?
what the
Fuck do
you want,
Sawaya??

WHO
ASKED
FOR
YOUR
HELP!!

IT'S
NONE
OF YOUR
BUSINESS
!

you might
even lose
this Teihen-
High which
could be
your last
place of
residence

what would
happen if
you keep on
hurting
others?

that's
why
Mitsuko
sensei
is
giving
her all
to
stop
you
!!
